

NEBRASKA REFEREE DEVELOPMENT PROGRAM

INSTRUCTION ▪ COACHING ▪ MENTORSHIP ▪ OFFICIATING

Thank you for being a Nebraska soccer referee!

These instructions will help you get through the licensing process for Referees that are recertifying for 2024. The following instructions will walk you through the recertification process in the Learning Center.

Note: if you already have a badge with that shows “2024,” you do not need to recertify until after July 1, 2024!

1. Go to the [U.S. Soccer Learning Center](https://learning.ussoccer.com) (learning.ussoccer.com) and log in to your existing Learning Center profile. **Do not create a new profile** - one already exists.
2. Click here for the [Referee Recertification Course](#).
3. If you would like to take the course in **Spanish**, that course can be found [HERE](#).
4. Select **Proceed to Registration**.
5. Complete the payment process and then work through the online assignments. There are a total of four assignments that must be completed by everyone. If you are 18 years of age or older, you must also complete the SafeSport Training assignment.
6. If you need help with the online portion of the Course, there is an **FAQ** section on the Learning Center that will answer most of your questions. That can be found at [Learning Center FAQs](#).
7. If you are 18 years of age or older, you **must** have a completed Background Check as required by U.S. Soccer (the cost is an additional \$30.00). Since most of you completed the Background Check last year, you may not need to do the Background Check again this year.
8. However, if you do need to complete your Background Check, click here: [Background Check](#) (make sure to log in first for this link to work).
9. Once you are all done with the online lessons and your Background Check, if needed, you will get your 2024 Referee badge by mail.

If you have any questions, please send an email to licensing@nrdp.soccer.

Thank you!
